

IMA'S NEWS

Rescuing Children | Restoring Hope | Raising World Changers

Sporty Kids

Several of the children at Ima's Home have excelled in school extracurriculars:

PJ and Archella Joy joined the National Games Competition and won 3rd and 2nd place respectively.

Lea, Jasmin, and Archella Joy joined volleyball teams, where their teams brought home 2nd and 3rd place in a recent tournament.

Rafael, Alvin, Jonathan, and John Jay placed 2nd and 3rd at a table tennis meet in different age groups.

Johnson won 2nd place at a track meet.

Outreach for Ima's Home

Ima's Home has partnered with an organization called OneChild to extend the love of Jesus to the indigent families of the barangays (neighborhoods) near Ima's Home. Currently, we have 75 children registered in the program with a goal of reaching 300. We are renting the elementary school's pavilion until April, when we will move into the new Community Center that is almost finished due to your generous support.

Each time we go out, Ima's Staff and a group of children from Ima's brings food and fun to the children in our area that desperately need it. These children get to feel the love of God through the smiles and hugs of the children of Ima's home, and the children of Ima's get to experience the joy of giving back to those in need.

“Mama Gina”

Before I came to Ima’s Home, I used to work at the school cafeteria in another city. After my husband died, I decided to look for a better job. So I left Davao to come to Pampanga. When I found a job at Ima’s Home, I was so thankful, because it allowed my children to finish studying at school until college. I am thankful for my work at Ima’s home because it helped me walk through the trials I’ve experienced. I have been at Ima’s Home for three years, and Pastor Jim has been very kind to everyone who works here. I pray the Lord will continue to heal my heart and strengthen me for His service.

Responsibility

Chores are an important training tool that will help children become responsible adults and family members. Aside from enjoying plenty of free time, children at Ima’s home are tasked to do their part in the home. Children help with age appropriate tasks of cleaning and cooking to help them build life skills and a strong work ethic, and a chance to bond as a family.

I want to say a heartfelt thank you to everyone who has partnered with me in supporting Ima's Home. As our children grow up, I see the impact that we've had on their life and it is exciting to see what God is doing in each of them and also makes me grateful for partners like you. Thank you for being willing to walk with me and support the vision God gave me. I pray God's richest blessings upon each and everyone of you.

Pastor Jim
