Music Lessons

In June, some of the older kids started music lessons. Ima's Kids are studying voice, guitar, drums, and piano. They were so excited to learn something new and have been working hard on practicing. The staff always encourages them to "Just try new things. Don't be afraid. Step out of your comfort zones and soar, all right?" Ima's Home is committed to building their confidence and helping each child become who God created them to be.

Christmas in July

It's the most wonderful time of the year. Preparations for our Christmas are in full swing at our stateside office! By the end of August we will be sending all 119 children and staff a package of gifts tailored to their interests and needs. Each box costs around \$60 to assemble and ship. Please consider sponsoring a child for Christmas at imashome.com/events

6th Grade Graduation

Pictured above are 12 Ima's kids with their House Parents celebrating their graduation from 6th grade. Three of these students are graduating on the Honor Roll: Rafael, John Jay, and Erica Mae. Our Staff has worked tirelessly to make sure all of our school aged children have the opportunity to receive an excellent education. Our House Parents love and support the children with their whole heart!

Ilo-ilo Visit

Ima's Kids are still talking about their visit with Papa Jim to Ilo-Ilo City and The Way Church. Since 2020, the children have been attending their weekly church services within the grounds

Construction Update

We are so excited that the administrative building and the first girls dorm room of our Baliti campus is nearing completion! Our current campus updates include a new driveway and garden boxes. Your continued support in these endeavors fills us with joy as will soon be able to give more children a safe home and the opportunity to find God's love.

of Ima's Home, but in May a group of them were able to worship with hundreds of believers. It was an unforgettable experience.

"It was a dream come true to travel to Ilo Ilo. We explored the surrounding islands by boat, tried so many kinds of seafood, enjoyed ramen, and a coffee house called Kofi and Kompany.

When I entered The Way church, I felt the presence of the Lord saturating my whole body. I was overwhelmed by the joy and peace I felt.

My friends at Ima's Home helped me overcome my fear of riding on a boat, and I realized how grateful I am for my life. I want to keep making memories with my family and friends who are always there to make me feel loved and supported." - Cherry

"When we were in the airport, preparing to ride the airplane, I was so scared, because it was my first time to fly. I heard a mother sitting in front of me tell her daughter, "Just close your eyes and stay calm." So I tried doing that too. When I finally opened my eyes, I was amazed at the beautiful clouds and sea, and I thanked God for His beautiful creation."
