Rescuing Children | Restoring Hope | Raising World Changers

Baking

We recently had the opportunity to participate in baking and pastry training at La Rose Noire. The children enjoyed themselves immensely.

Every time our children have a chance to improve themselves, to build self-confidence, and to try new things, Ima's Home does not hesitate to get them involved.

Our prayer is that these children will be stable and successful adults in life, and we thank you for helping us give them that chance.

Community Center

Because of your generosity and God's faithfulness, the Community Center on our new property is finished. This auditorium began as a dream, then it became a plan, and now it is a testimony that God is good.

This new location is allowing us to bless this community with an indoor space to worship together and to gather for events and activities. We are already providing food, school supplies, and worship services, but we are excited to reach even further to meet the needs of the precious families and children here in Buenaseco, Arayat, Philippines.

Mid Week Service

As we care for children at Ima's Home, our goal is to raise good people who know the Lord.

Part of our discipleship takes place on Wednesday evenings at 7pm. Children meet in small groups for Bible study and prayer.

Mama Sheenie speaks life to the children sharing a Bible Verse and praying over them.

How to Partner

Missionary Visitors

In April of this year, some of our most faithful supporters joined hands with our new partner, One Child, on a trip to see the children here at Ima's Home. The children were able to meet people who have opened their hearts to help them.

The One Child partners participated in many activities with the children: playing games, making beads, doing crafts, and sharing Bible stories.

Pastor Jim and friends took a few of the children to the mall to go shopping, and many children received new bikes. The children were so happy and will never forget the kindness and love showed to them.

Christmas in July

It's the most wonderful time of the year. Preparations for our Christmas are in full swing at our stateside office! By the end of August we will be sending all 119 children and staff a package of gifts tailored to their interests and needs. Each box costs \$50 to assemble and \$10 to ship. Please consider sponsoring a child for Christmas at imashome.com/events
