Rescuing Children | Restoring Hope | Raising World Changers

10th Annual 5k

Ima's Home 10th Annual 5k Fun Run will take place on April 1, 2023. Early registration ends on January 31st. So be sure to sign up today!

Due to your generous support, Ima's Home has provided a safe place for abandoned children for the past 10 years. When children arrive at Ima's Home they are scared, neglected, and abused.

Over the years we have watched the love and care they receive at Ima's Home transform them into secure, kind, generous children and young adults that want to help others. We believe they are world changers and we aren't done yet! Construction is underway to more than double our capacity to house and heal more children. During our 5k, you can partner with us in two ways:

1. Become a Sponsor by emailing: jhryhorchuk@life.cc
2. Join us on race day at Walter Hall Park in League City, TX by registering at imashome.com.

Talented Dancers

Dancing is a passion for most of the kids at Ima's Home. Recently, a group of our older kids entered a dance competition called KJT Got Talent. They did not win, but they learned a lot and enjoyed the time spent practicing and competing in a supportive environment.

The Arayat cluster of schools held a cheer dance competition and the public school chose two of our younger children with a few other classmates to enter the competition, where they won third place!

Manila American Cemetery and Memorial Trip

We went to the American Cemetery Memorial Park, and it made me feel so grateful for freedom. We learned that many Americans and Filipinos fought for the freedom of our country. It honors those American and Allied servicemen who lost their lives during World War II. -John Jay

When we arrived in Manila, we first went to the American Cemetery Memorial Park. That place is so cool. It is surrounded by green grass. Every soldier's name is written on a big tablet. There are thousands of soldiers who were killed in the war between Japan and America. While walking in there I felt the freedom knowing the Americans had fought for us. Thanks to them for helping us achieve our freedom and peace in our country. -Rafael
